Panels, Elements,
Panel Supports,
Freestanding Laminate

Category 1A/1B

District® is a collection of desks, cabinets, windows and walls that reinterprets systems furniture. District combines the attributes of classic furniture with the functionality of systems, making efficient use of smaller footprints.

Leverage® makes it easy to customize the office, allowing you to specify the desired level of features for each workspace in order to meet diverse needs, while achieving a crisp, clean look at an affordable price.

Metal Filing and Storage Cabinets

Category 3

The office space is an assortment of collective data that requires safe and secure storage while maintaining functional and effortless access. In the evolving working dynamics and where space is at a premium, personal storage towers, lateral and vertical filing, and multi-purpose pedestal options mean resources and assets are maximized to the fullest.

Wood Veneer Freestanding Products

Category 4

Versailles wood veneer from Global Furniture Group brings balance and beauty to the office environment. Its transitional elegance or dramatic contemporary look is further enhanced by the breadth of product offering that allows virtually unlimited planning flexibility. Clean detailing on desk and storage edges allow for easy modular reconfiguration and versatility in open platform areas.
