About ergoCentric

ergoCentric's mission is to design and manufacture the best ergonomic seating in the world. This mission is supported by two guiding principles, the assurance that the task chair properly fits the individual using it, and by ensuring the lowest possible cost of ownership over the full life of the chair.

Many of our adjustment features are unique to ergoCentric and were created in response to our customers' needs. Available adjustment features include back height, lumbar depth, back angle, seat height, seat angle, seat depth and tension adjustments, highly adjustable arms and headrest.

We're here to help

We strive to maintain complete customer satisfaction and to accomplish this we aim to develop useful tools to help everyone who selects and uses our products. ergoCentric.com, contains many updated tools to keep you fully informed about our product details, adjustment videos, finish selections and much more.

Our Inside Sales team are available Monday through Friday to assist you. If you have any questions about navigating this book or what best suits your environment, please contact us [1 866 GET ERGO](tel:1866GETERGO) or orders@ergocentric.com

Committed to quality designs and environmental protection

Responsible manufacturing

ergoCentric has received GREENGUARD® Gold certification for indoor air quality for our chair series, the most stringent emissions criteria for office furniture products. ergoCentric's commitment to environmental protection is a natural product of our concerns for workplace health and safety. As a result, we have earned the ISO 14001 international standard for environmental management systems.

ergoCentric has also achieved the BIFMA e3 Furniture Sustainability Standard. e3 considers how sustainable a product is from multiple perspectives, including the company's social actions, energy usage, material selection and human and ecosystem impacts.

Quality assurance

All ergoCentric seating is tested to meet or surpass North American quality standards and we are ISO 9001 certified.

The ergoCentric advantage

Unique serial number system

Every chair manufactured or distributed by ergoCentric has its own serial number affixed under the seat and that number is entered into our database, noting the specifications of the chair, as well as any customizations. This system allows you to easily manage your facility, and makes reordering chairs and parts simple, while allowing us to quickly attend to any required warranty work.

Terms and conditions of sale

1. PRICES AND TERMS

Prices are suggested list and are subject to change without notice. Orders will be invoiced subject to prices prevailing at time of shipment F.O.B. factory. Terms are net 30 days from date of invoice. We reserve the right to withhold shipment of orders due to customer's failure to provide current credit information or failure to pay past due invoices. A late payment penalty of 1.5% per month will be charged for accounts over 30 days.

2. CHANGE/CANCELLATION

Customer's cancellation and/or change to an acknowledged purchase order must be confirmed in writing and will be accepted subject to our ability to conform. Cancellations or changes will not be accepted if manufacturing is in process or merchandise has been shipped in compliance with customer's original order.

3. RETURNS

Return authorization (RA) is required for all returned merchandise. Only packages that have an RA number clearly indicated on the outside of the box will be accepted by ergoCentric. To obtain an RA number, please contact your Customer Account Manager. Shipping must be prepaid and ergoCentric reserves the right to charge an additional restocking fee. Merchandise must be received in excellent condition and damaged returns will be subject to an additional charge. Custom fabricated merchandise cannot be returned for credit.

4. SHIPPING

All delivery dates quoted are approximate. Orders may be shipped at one time or in partial shipments. Orders may be subject to delay due to, failure or delay from source of supply, transportation difficulties, or other causes beyond our control.

5. SHIPPING CLAIMS

All shipments are packed in compliance with common carrier requirements. Shipment is the customer's responsibility after leaving our shipping dock. Customer must note all visible damage to cartons and/or carton shortages immediately upon receiving shipment and direct all claims within 5 days to the transportation company making delivery.

6. RECEIVING

Special receiving arrangements must be specified in advance on customer's P.O. and covered at the customer's expense.

7. STORAGE

When the customer's order is ready for shipment and the customer is unwilling or unable to accept delivery, we reserve the right to invoice at that time and transfer the shipment to storage at the customer's risk and expense.

8. REDELIVERY CHARGES

All redelivery costs incurred will be charged to the customer if the original delivery was made in accordance with the customer's purchase order.

9. NOTICE OF CLAIM

Please inspect all deliveries and notify us in writing of any deficiency or departure from the terms of our agreement. Unless we receive from you a written notice of claim within 10 days following delivery you will be deemed to have waived any claim to the contrary.

10. MEASUREMENTS

Though every effort has been made to make product measurements as precise as possible, they must be considered approximate. Pneumatic Lift ranges are within ½".

11. CUSTOMER'S OWN MATERIAL (TRADITIONAL COM)

Fabric must be shipped to the factory prepaid. Yardage indicated in this price book are approximate, based on 54" non directional, no patterned goods. Additional yardage is required for directional, patterned and lesser width materials. The customer is responsible for providing instructions on leftover fabric. ergoCentric will stock leftover fabric for two years.

Materials will be applied in the manner ergoCentric deems is appropriate, unless specifically instructed. ergoCentric reserves the right to reject any material as unsuitable.

In accepting COM fabric, ergoCentric assumes no responsibility for fabric wear, defects or appropriateness. When supplying COM, the shipment must be clearly tagged with customer's order number, description of product, quantity of fabric and any special instructions. ergoCentric will not accept COM that is sent collect.

12. MISCELLANEOUS

Due to variations in materials and colour shades of which we have no control, all chairs are sold subject to minor variations or irregularities in Colour, texture and grain.

We reserve the right to make technical changes in design without prior notice according to latest developments.

tCentric Hybrid™ and airCentric™ 2 & 2S warranty

12 years, 3 shifts, labour included

Our warranty covers everything – including casters, pneumatic cylinders, arms, foam and all moving mechanisms.

At ergoCentric, we are committed to improving the health and productivity of your valued employees at the lowest total cost of ownership.

All tCentric Hybrid, airCentric 2 and airCentric 2S seating are backed by our 12 year, 3 shift warranty, except as limited or described below.

ergoCentric materials

10 years

ergoCentric Approved fabrics (exceptions covered under 12-year warranty include: tCentric Hybrid mesh.)

Other manufacturers' products

ergoCentric does not warrant customer's own fabrics but will pass through to the original purchaser any warranty supplied by the fabric manufacturers to the extent possible.

Provisions that apply to all tCentric Hybrid, airCentric 2 and airCentric 2S seating and services:

ergoCentric warrants the tCentric Hybrid Multi Tilt and Synchro Glide, the airCentric 2 Multi Tilt and Synchro Glide and the airCentric 2S Multi Tilt and Synchro Glide seating systems to be free from defects in material and workmanship, regardless of the number of shifts during which the products are used, for the warranty periods specified above for users weighing up to 350 pounds and 24/7 use. All other mechanism are warranted 280 pounds and 24/7 use.

During the applicable warranty period, ergoCentric, as its sole obligation, will repair or replace (at its option) any product, part, or component covered by this warranty and sold after the effective date of this warranty, which fails under normal use as a result of a defect in material or workmanship. ergoCentric will repair or replace the aforementioned product, part, or component with a comparable product, part, or component.

This warranty extends only to the original purchasers who acquire new product from ergoCentric, its subsidiaries, or its authorized resellers. Any product, part, or component must have been used according to ergoCentric's published instructions and installed and maintained by an ergoCentric factory-trained technician or an authorized ergoCentric dealer installer. If these requirements are met, warranty coverage will be extended. Any misuse, abuse, or modification to the original product voids the warranty. ergoCentric does not warrant the performance of the product when used in combination with other than original ergoCentric product.

Limited warranty only covers ergoCentric provided products, components, and related repair work performed by ergoCentric authorized dealers.

The warranty period starts from the date of purchase.

This document inclusively describes all of the warranties given and remedies available with respect to the company's products and services. ergoCentric and its subsidiaries disclaim any other warranty whether express or implied, statutory or otherwise, in relation to the products.

ergoCentric does not warrant:

- changes in surface finishes, including colourfastness, due to aging, exposure to light or direct sunlight
- marks, scars, or wrinkles occurring naturally in leather
- failure resulting from normal wear and tear
- pilling of textiles
- matching of colours, grains, or textures of natural materials
- colourfastness or the matching of colours of textiles or surface finishes, including an exact match to cuttings, samples, or swatch cards
- damage or marking of materials or abrading of textiles over time caused by sharp or foreign objects
- discolouration of textiles and surface materials due to soiling, stains, or dye transfer from clothing, including denim

ergoCentric tests Customer's Own Material (COM) and other customer-supplied items for manufacturing quality only and does not provide any warranty with regard to these materials.

ergoCentric does not warrant products that are exposed to extreme environmental conditions or that have been subject to improper storage.

To the extent allowed by law, any implied warranties, including any warranty of merchantability or fitness for a particular purpose, are disclaimed and to the extent they are legally required, are limited in duration to the duration of this written warranty.

ergoCentric shall not be liable for loss of time, inconvenience, commercial loss, or incidental or consequential damages.

Office lifetime warranty

ergoCentric Seating Systems hereby warrants all of its Office & Specialty Seating products (see separate tCentric Hybrid™, airCentric™ 2 and airCentric 2S warranty) against defects and functional failure of materials including the pneumatic lift, for as long as the chair is in use by the original purchaser, with the following exceptions: the Mechanisms, arms, foam and fabrics part of the ergoCentric Approved fabrics program are warranted for ten years from the date of purchase. The iCentric™ Mesh backrest structure and iCentric Mesh upholstery, CORE vinyl, Spirit Millennium vinyl, Canter EPU, Beeline EPU and Frixion healthcare upholstery material are warranted for five years from the date of purchase. These warranties shall not apply to any products which must be replaced because of normal wear and tear, negligence, abuse or accident, shipping damage, or product use other than in accordance with written instructions and warnings. ergoCentric makes no warranty that any of its products are suitable for any particular purpose and makes no other warranties, expressed or implied, other than those set forth herein. In no event shall ergoCentric be liable in either tort or contract for any loss or direct, special, incidental, consequential or exemplary damages.

This warranty is based on an eight hour work day only for users weighing up to 300 lbs (136 kgs) for the following series: geoCentric™, myCentric™, eCentric™, eCentric Executive, ergoForce™, iCentric Stacker and for users weighing up to 280 lbs (127 kgs) for the following series: Saffron R, Saffron, ecoCentric™ Mesh, ecoCentric, iCentric, iCentric Mesh, Upholstered and 3-in-1 Sit Stands, the ergoCentric Sit Stand, Starbase, and Scooter Stool.

Plus Size, Heavy Duty, 24 Hour Seating, Bariatric

The mechanisms, arms, foam and fabric are warranted for five years from the date of purchase. The Plus Size seating warranty is valid for users weighing up to 350 lbs. The eCentric Executive Heavy Duty seating warranty is valid for users weighing up to 400 lbs. For all 24 Hour seating, the warranty is valid for continuous use multi-shift operations for users weighing up to 300 lbs. The Bariatric Task chair warranty is valid for users weighing up to 500 lbs. The Bariatric Guest Chairs are warranted up to the following weights: 21" (350 lbs), 24" (450 lbs), 30" (750 lbs).

Warranty claims

ergoCentric will repair or replace any product or materials, covered by this warranty, found to be defective or inferior within the warranted period. This warranty includes the cost of labor and shipping. Claims are to be made directly to ergoCentric or to the authorized dealer from whom the chairs were purchased. Product or materials for which a claim has been made, must be made available for inspection by an authorized ergoCentric representative.

Limit of warranty

These manufacturer's warranties shall be valid only during the term of these warranties; and while the products herein warranted are in the possession of the original purchaser. The original purchaser shall mean the party which first purchased the products for its own use whether from ergoCentric or an authorized ergoCentric dealer.

Specialty seating warranty

Specialty Seating Limited Warranty

ergoCentric Seating Systems hereby warrants all of its industrial seating products against defects and functional failure of materials, for five years from the date of purchase. These warranties shall not apply to any products, which must be replaced because of normal wear and tear, negligence, abuse or accident, shipping damage, or product use other than in accordance with written instructions and warnings. ergoCentric makes no warranty that any of its products are suitable for any particular purpose and makes no other warranties, expressed or implied, other than those set forth herein. In no event shall ergoCentric be liable in either tort or contract for any loss or direct, special, incidental, consequential or exemplary damages. This warranty is based on an eight hour work day for users weighing up to 280 lbs.

Warranty claims

ergoCentric will repair or replace any product or materials, covered by this warranty, found to be defective or inferior within the warranted period. This warranty includes the cost of labor and shipping. Claims are to be made directly to ergoCentric or to the authorized dealer from whom the chairs were purchased. Product or materials for which a claim has been made, must be made available for inspection by an authorized ergoCentric representative.

Limit of warranty

These manufacturer's warranties shall be valid only during the term of these warranties; and while the products herein warranted are in the possession of the original purchaser. The original purchaser shall mean the party which first purchased the products for its own use whether from ergoCentric or an authorized ergoCentric dealer.

Cleanroom Seating Lifetime Limited Warranty

ergoCentric® Seating Systems hereby warrants all of its Cleanroom seating products against defects and functional failure of materials, for as long as the chair is in use by the original purchaser, with the following exceptions: the mechanisms, arms, foam and fabric including vinyl, are warranted for five years from the date of purchase. These warranties shall not apply to any products which must be replaced because of normal wear and tear, negligence, abuse or accident, shipping damage, or product use other than in accordance with written instructions and warnings. ergoCentric makes no warranty that any of its products are suitable for any particular purpose and makes no other warranties, expressed or implied, other than those set forth herein. In no event shall ergoCentric be liable in either tort or contract for any loss or direct, special, incidental, consequential or exemplary damages. This warranty is based on an eight hour work day only for users weighing up to 280 lbs.

How to use this price book

The following page is a typical example of the seating specifications you will find throughout this price book. In the top header bar of each table, you will find the chair model code. In this example, the *geoCentric Multi Tilt Series* is illustrated.

TABLE	DESCRIPTION
1 List Price	List prices for fabric, leather, and COM grades are listed.
2 Standard Specifications	Standard features are listed. The dot (•) symbol indicates that feature is available for the respective chair model.
3 Options	Options are listed by category (e.g., seat) for each chair model. <ul style="list-style-type: none"> A The upcharge column lists the additional list prices for each available option. "N/C" indicates <i>No Charge</i> B Columns with a model code heading (geo-MB-MT, geo-TB-MT, geo-XTB-MT) indicate if the option is available for the respective chair model. <ul style="list-style-type: none"> • The dot (•) symbol means the option is available. • "N/A" indicates the option is not available. • "incl." means the option is already included as part of the chair model's standard features.
4 Arm Options	Shows the most popular arm options for the chair model. Arm option specifications and additional arm options are available on pages 73-75.

For this example, the geo-MB-MT model has been chosen and the selected options highlighted. This specific chair is upholstered in Open House Onyx, a Grade 1 fabric chosen from a sample fabric card. The 4" Adjustable T-Arm with Oval Tube arm pads, has been selected from page 73.

Saffron

A high quality,
cost-effective solution

Built using the same high quality materials used in all ergoCentric chair lines, the Saffron series offers a cost-effective and comfortable solution for ergonomic task seating.

The Saffron series is designed with all the features ergonomists demand: quality materials, quality workmanship and ergonomic function. In combination, these features are designed to maximize both health and productivity.

iCentric™ Stacker

Convenient and durable.

The iCentric Stacker offers superior support to ensure your visitors are sitting comfortably. Ideal for settings that require occasional seating, the design of the back structure offers subtle lumbar support while the curved seat reduces pressure on the sitting bones and improves circulation.

With its modular construction and available options, it is well suited for private offices, waiting areas, cafeterias, classrooms and auditoriums.

iCentric™ Stacker Series

Standard on vinyl and PVC Free (vinyl like) upholsteries. Ideal for extra durability and cleanability.

Stackable 6 units high without cart and 10 units high with cart

* Caster options should not be stacked.

For graded in upholstery choices see page 81.

- ◆ **IC plus Upholstery Solution** is tough against high traffic abuse that furniture takes in today's healthcare facilities. IC plus offers an abrasion rating of 1,000,000 double rubs. It is PVC-free, latex free and is guaranteed not to crack, puncture or tear for 10 years. IC plus offers superior cleanability, standing up to all cleaning agents including, but not limited to, Rescue, bleach, CaviCide, Wex-Cide, and Virox 5. This allows cleaning staff to efficiently and effectively remove pathogens from the surface of the chair. Proprietary to ergoCentric, IC plus Upholstery Solution is non-porous and seamless, making microbial growth virtually non-existent. The tough upholstery is strong enough to stand up to any hospital grade cleaner or disinfectant and has been tested to be 750% more resistant to puncturing and 1,000% more resistant to tearing than common hospital grade vinyl.

Ind F Series

Standard when backrest is upholstered in vinyl, PVC-free (vinyl-like) and and IC plus upholsteries

RECOMMENDED ARMS

ergoCentric Approved Fabrics

ergoCentric Approved Fabrics include upholsteries that have undergone exhaustive review to determine top-selling fabrics, patterns and colours. From there we tested and re-tested the materials to ensure they accentuate the ergonomic function of our seating. It was only after this rigorous process that a fabric was included in the ergoCentric Approved carded program.

All ergoCentric Approved Fabrics:

- Have a 10 year performance warranty
- Allow seating systems to be available in 10 business days
- Ensure the optimal ergonomic seating experience is provided

FABRIC	
GRADE 1	
Air Knit	Punch Card
Open House	
GRADE 3	
Teknit	
GRADE 6	
Nytek	Frixion

OTHER
GRADE 8
Nymatrix
LEATHER
Madras

Leather matches are available in the following colors: Poppy, Aspen, Crimson, Cobblestone, Brownie, Clay, Chocolate, Black, Ginger

Note: For optimal cleanability, non-tailored seats are standard for vinyl upholstery. Tailored vinyl seats are available at an additional cost, but are not recommended. Please contact your sales representative for more information.

Maintenance

Fabrics

Keep clean with regular vacuuming. For spills, absorb as much as possible with a damp cloth, but do not rub. For stains, we recommend professional cleaning.

Vinyl

Clean with soft cloth dampened with mild soap solution. For stains, a sponge or soft brush may be used with mild non-abrasive cleaner.

Leather

Occasional dusting/vacuuming for a more thorough cleaning.

tCentric Hybrid Mesh

To prevent overall soil, frequent vacuuming or light brushing to remove dust and grime is recommended. Spot clean with mild soap and water. The use of bleach is to be avoided; however, a 1:10 bleach solution may be used for infrequent disinfecting when necessitated. The accumulated wet contact time should be limited to a maximum of 2 hours over the life of the chair. Virex can also be used.

Customer's own materials

COM Fabric Instructions

Please provide us with the required information listed below and we will confirm if there is the need for testing. Approved COM and samples for testing, if required, must be sent to your Customer Service Representative at 275 Superior Blvd. Mississauga, ON, Canada L5T 2L6 in accordance with the COM terms as described on page 5. Please contact Customer Service for special shipping instructions.

For both Hassle Free and Traditional COM orders, we require the following information with your purchase order to provide accurate customer service and order fulfillment:

- Fabric supplier or mill
- Fabric description
- Name
- Number
- Colour Pattern
- Any special application details
- Pattern orientation
- Fabric selection by application (inner or outer back for example)

Note: For all seating lines with separate seats and backs we offer the no-charge option of specifying different fabric colours for inner or outer backs and seats.

All COM orders are subject to the Terms and Conditions of Sale; CUSTOMERS OWN MATERIAL as appropriate.
